# HUSQVARNA BMP 335

Art.no: 970 61 57 01

BMP 335 is a heavy duty electric scarifier and is the answer to the toughest scarifying needs. Its increased weight allows it to generate more efficient scarifying action. It is equipped with an electrical drive system which saves the operator from having permanent contact with the handle. Other features include ergonomic operations, easy adjustable speed and tracking and an ability to turn 360 degrees. In addition, the drum housing, which is surrounded by dust seals, is mounted in the frame by torque bushes, giving lower vibration levels. The BMP 335 scarifier is also available as a remote controlled version.

## FEATURES

### Control panel
