

ICESTRIKER™ 1000–1500 SLH/SLE DISC SPREADER

1000–1500 L SELF LOADING DISC SPREADER FOR TRACTORS AND LOADERS

The **IceStriker™ SLH/SLE** is a **1000–1500 L self-loading disc spreader bucket**, designed for compact tractors and loaders. This **hydraulic or 12V electric** spreader is engineered for efficient spreading of salt, sand, and fine gravel.

The spreader is controlled via the hard-wired **StrikeSmart™ CAN-BUS standard controller** or the **optional StrikeSmart™ PLUS touch control panel**. Both systems feature **GPS speed control** and the **HTrack™ tracking and control system**.
