# HUSQVARNA VARI-GRIND™ EZ SL

Art.no: 598 88 70 01

EZchange™ tool system with triple diamond segment for grinding rough wooden decks. Suitable for moderate professional tasks, making it a valuable tool for daily use at Silver level.

## FEATURES

### Efficient coating removal

Efficiently removes coatings such as glue, levelling compounds, paint, thin epoxy coatings and tile screeds.

### Optimal active diamonds

The specially designed Husqvarna segment shape optimises the number of active diamonds for improved performance.

### Optimal material removal

This feature is designed to remove material as efficiently as possible while minimising tool wear, allowing you to achieve consistent, high-quality results.

### Easy tool changes (EZchange™ WING system)

The EZchange™ system allows for quick and hassle-free diamond tool changes without the need for multiple diamond holder discs or time-consuming screw-on systems. Compatible with machines from a variety of manufacturers.
