

SNOWSTRIKER™ SFT FLEX PLOW

FLEXIBLE SNOWPLOW FOR 1-4 TON TRACTORS AND LOADERS

The Hilltip **SnowStriker™ SFT Flex plow** is designed for tractors and loaders ranging from 1 to 4 tons, offering a highly versatile solution for winter maintenance. Whether you're clearing small driveways, yards, or larger parking areas, this plow adapts effortlessly to different environments with its **expandable wings**, ensuring efficiency and precision in every pass.

The **powder-coated blade** is made of **high-strength steel**, which in this case is the key to our durable but light plow.

The plow comes in three sizes, each with an expandable range:

- SnowStriker™ 13-21 SFT: 130 - 210 cm
- SnowStriker™ 15-25 SFT: 150 - 250 cm
- SnowStriker™ 18-29 SFT: 180 - 290 cm

The end guiding plates can be manually folded to enable conventional plowing.

SnowStriker™ SFT Flex plow for tractors and loaders
