

TOWABLE ICESTRIKER™ SPREADER

TOWABLE ICESTRIKER™ 380-2100 SPREADERS

The Hilltip IceStriker™ 380 stainless steel spreader, 550, 900, 1150, 1600 and 2100 combi spreaders are available as towable salt spreaders. The trailer spreader models extend the capability and flexibility of the spreaders as you get the flexibility to use any pickup, SUV or car to combat icy conditions.

The tow behind spreaders can all be supplemented with a pre-wet system as well as a spray bar for direct liquid de-icing treatment.

The Hilltip trailer chassis are hot galvanized and powder painted to ensure the best corrosion resistance on the market.

Towable Icestriker™ 550

Towable Icestriker™ 900
