

HUSQVARNA BGS 250

A HEAVY-DUTY SINGLE-DISC FLOOR GRINDER FOR SURFACE PREPARATION

The heavy-duty BGS 250 is a single-disc concrete grinder specially designed for small to medium-sized professional surface preparation applications. The machine's tailored disc tooling system enables low vibrations and high productivity. The adjustable handle contributes to a comfortable operating experience and, together with the machine's low weight, also makes the BGS 250 easy to transport. The BGS 250 can be plugged in and started with the push of a button.

FEATURES

AGGRESSIVE GRINDING

The single grinding head distributes all the machine's pressure to be distributed onto the small diameter of the tailored diamond disc. This, together with the adjustable wheel settings, results in aggressive grinding.

EFFICIENT DUST MANAGEMENT

This grinder is equipped with a 51 mm diameter dust hose connection for minimised dust exposure on the job site.

PLUG & GRIND

With this single phase single disc grinder you just plug it in and press start to begin grinding.

EASY TO TRANSPORT

The handle can be folded for easy transportation.

FEATURES

EFFECTIVE DUST PICKUP

Thanks to an integrated dust fan.

OPTIMAL PRODUCTIVITY

Adjustable wheel settings to change grinding pressure.

TECHNICAL DATA HUSQVARNA BGS 250

Art.no: 970 64 78-01 FLOOR GRINDER BGS 250 | 1x230 V | 2.2 kW | 50 Hz | EU

PRODUCT DATA

Output power	2.2 kW
Phases	1 ph
Voltage	230 V
Rated current.	16 A
Frequency	50 Hz
Grinding width	250 mm
Number of grinding discs	1
Grinding disc speed max	1,440 rpm
Type of operation	Push

DIMENSIONS

Product size length	1,188 mm
Product size width	505 mm
Product size height	936 mm
Weight	62 kg

RELATED TOOLS AND PRODUCTS

HUSQVARNA ELITE-GRIND DISC T-REX

Aggressive 250 mm/10" diameter grinding disc equipped with PCD (polycrystalline diamond) claws, specifically designed for removing thick layers (1-2 mm) of soft contaminants such as glue and coatings.

HUSQVARNA ELITE-GRIND PREMIUM PLUS

250 mm/10" diameter grinding disc, specifically designed to deliver remarkable removal rates for a range of concrete surfaces. 4 variants depending on hardness of concrete floor.

HUSQVARNA VARI-GRIND ARROW

An aggressive 250 mm/10" diameter grinding disc designed for removal on concrete floors. 4 variants depending on hardness of concrete floor.

HUSQVARNA VARI-GRIND STAR

A powerful 250 mm/10" diameter grinding disc known for removal on concrete floors. 4 variants depending on hardness of concrete floor.

HUSQVARNA TACTI-GRIND EURO

250 mm/10" grinding disc specifically designed for efficient removal of coatings less than 1 mm thick, as well as grinding concrete floors. 4 variants depending on hardness of concrete floor.

HUSQVARNA DE 120 H DUST EXTRACTOR

versatile H-class dust extractor is compact and easy to transport, yet powerful. It is designed for use with larger hand-held power-tools, floor and hand grinders, shotblasters, scarifiers and more.
